SSPC-SP 10 (Near White Blast)

Exposure:

Tank Lining, Dry Cargo

892 Hopper Car (Coated 8/98)

Area Coated: Interior

- First Coat: Carboguard 892

Project Description:

Hopper car coated with Carboguard 892.

The car is in plastic pellet service.

Project Challenge:

Coatings for hopper cars need to be flexible, durable and abrasion resistant.

Additional Information:

After 11 years the coating system is in excellent condition. The car was inspected and put back into service with only touch ups to areas that had mechanical damage.
