

JULY WINNER

70 Red Buckets of Surprises!

“ I just wanted to drop you a note to let you know how much we appreciate Narad and the great customer service he gives on each and every order we place. This really became evident while he was out on vacation (a much needed one, I am sure). We usually can place an order with you guys, and 9.5 times out of 10, we have it here the next day. There have been times we have even called, and Narad will get our paint ready that same day, and we will drive to Pelham to pick it up. Narad is very careful to make sure we are getting what we need. He has even called me before to make sure I have ordered the correct item, if it is a new color or an out of the ordinary order.

The week Narad was gone, we placed an order on Tuesday for paint that we order all the time. By Friday we were out of paint, and our order had still not arrived. Thanks to Pam in customer service, she got us some paint for the weekend, but Narad would have never let us run out in the first place.

I just wanted to let you (and whoever at Carboline that needs to know), how much we appreciate Narad's dedication to excellence and customer service. We sure did miss him while he was out! ”
